

## Monthly Report – February 2025

---

### **Executive Summary:**

This report outlines the critical impact of the Center for Blessings in the month of February 2025. The center continues to play a vital role in supporting individuals facing hardship, delivering not only essential aid but also restoring hope to those in need. Through ongoing partnerships, the center's ability to provide medical assistance, food, and hygiene support has been invaluable. The following sections detail key activities and case studies from this month, demonstrating the center's unwavering commitment to uplifting the lives of vulnerable individuals.

---

### **1. Key Activities and Support Provided:**

In February 2025, the Center for Blessings provided essential support to several individuals, addressing their immediate needs and fostering a sense of security and hope for the future. The following are key examples of the aid distributed:

#### **Support for Sonia Boustany (February 1, 2025):**

Sonia Boustany, a widow, has been a beneficiary of our aid for two consecutive years. Despite the challenges she faces, Sonia's resilience is a testament to her strength. In February 2025, the Mission of Hope and Mercy committed to supporting Sonia with the following resources:

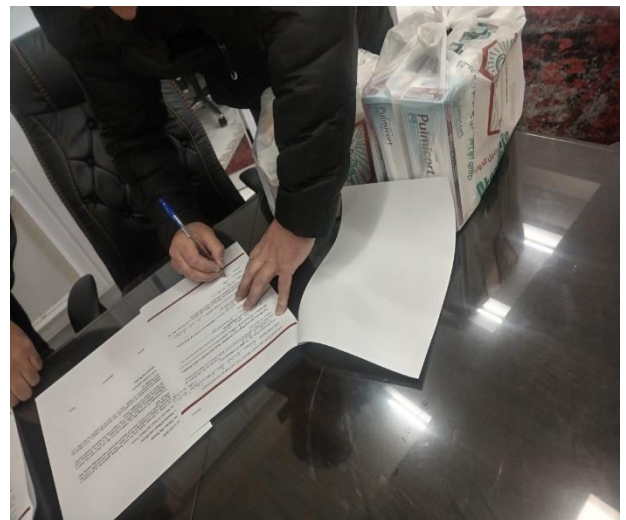

- **Medical Assistance:** A three-month supply of vital medication worth \$435, allowing Sonia to continue her treatment without the burden of additional costs.
- **Food Security:** A carefully curated food box providing a full month's worth of food, ensuring Sonia's nutrition and health are supported.

- **Hygiene Support:** Two bags of essential hygiene supplies valued at \$150, helping maintain her health and dignity, while preventing illness.

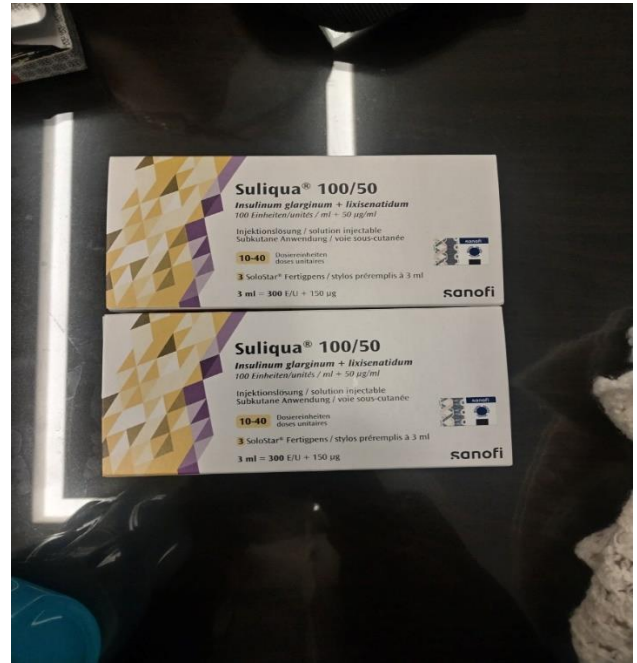

### **Support for Mr. Michel Abi Ramia's Twins (February 12, 2025):**

On February 12, the Center for Blessings provided a four-month supply of medication, valued at \$382, for Mr. Michel Abi Ramia's twin children, Pierre and Charbel. Both children had been battling severe pneumonia and reflux. This intervention alleviated the financial burden of their ongoing medical treatment and ensured that the twins received the necessary care for their recovery.

### Support for Mr. Martin El Chaar (February 12, 2025):

On the same day, the center offered essential aid to Mr. Martin El Chaar, who is living with severe diabetes. Having lost both legs and his job due to his illness, Mr. El Chaar has faced significant financial hardship. The Center for Blessings provided him with a full month's supply of diabetes medication, valued at \$253. This support is essential in managing his health, reducing the risk of further complications, and improving his quality of life.

## **2. Impact on Beneficiaries:**

The Center for Blessings' initiatives have had a profound and positive impact on the lives of individuals in need:

- **Sonia Boustany:** The aid provided has significantly eased Sonia's daily struggles, allowing her to focus on her health and well-being. The support alleviates the constant worry of not having enough resources for medication, food, or hygiene needs, providing her with hope and peace of mind.
  - **Michel Abi Ramia's Children:** The medication provided to Pierre and Charbel has been crucial in their ongoing treatment. Their father, Michel, expressed immense relief in knowing that he can continue to care for his children without worrying about the financial strain of their medical needs. The aid has provided not just medical relief, but also restored the hope of a brighter future for the children.
  - **Mr. Martin El Chaar:** The diabetes medication provided to Mr. El Chaar has been life-changing, helping him manage his condition and avoid further complications. This assistance, while essential, also represents a symbol of compassion and support, reminding Mr. El Chaar that he is not alone in his struggles.
- 

## **3. Challenges and Areas for Growth:**

While the Mission's work has been impactful, several challenges remain:

- **Increasing Demand for Services:** The need for aid continues to grow, with an increasing number of individuals seeking support. The center must continue to secure adequate funding and resources to meet these demands.
- **Sustainability of Support:** Ensuring the continuation of aid is essential. Long-term partnerships and sustained contributions are critical for maintaining the center's operations and ensuring ongoing support for individuals in need.

- **Expanding Outreach:** As the center's reputation grows, expanding outreach efforts to reach even more individuals in need is crucial. Developing new channels for communication and making support services more accessible is an ongoing priority.

---

## **Conclusion:**

The Center for Blessings continues to play an indispensable role in the lives of those who face adversity. Its ability to deliver crucial aid and provide hope is a cornerstone of the Mission of Hope and Mercy's work.

Through the ongoing generosity of our supporters, the center has been able to make a lasting impact on the lives of individuals like Sonia, Mr. Abi Ramia's twins, and Mr. El Chaar. The center's work is a testament to the power of compassion and solidarity, proving that no one has to face hardship alone.
