

THE PEOPLE WE SERVE ON OUR CAMPAIGN NEED YOU DURING LENT:

Lent is here. I beg you help me **“feed the Lord’s sheep”** in Lebanon. I beg you to listen to the Voice of God and respond with grace and generosity. Support the ongoing campaign

Feed a Family – Save a Nation of the Apostolate of Our Lady of Hope, also known as, St. Rafka Mission of Hope and Mercy (www.MissionOfHopeAndMercy.org.)

God is asking us: “Do you love me more than these?... Feed my sheep” (John 21: 15-17)

At this holy time of Lent, “My people are starving.” 6 million people in Lebanon are in danger of famine, degeneration, war, captivity, plague and deaths. I beg you “feed my sheep” as the Lord asks us to do.

Together we can make a big impact on the lives of our fellow brothers and sisters in Lebanon.

The Mission of Hope and Mercy’s **Feed a Family – Save a Nation** campaign aims to give **5170 families a \$25/60lb. box of food** allowing us to **feed a family of 4 people for a month**. We also are expanding our campaign in order to include necessary approved medical supplies and vitamins in order to prevent the horrific quick spread of the Covid-19 and the death toll that is being caused by it.

In the three days leading to January 26, 2021 over 10 thousand people were diagnosed with the virus, and over 250 people died in Lebanon. The same thing is happening over and over and the curve still did not come down yet. Remember that Lebanon’s population is about 4 million. Added to them are about 2 million refugees and other non-Lebanese people who live in the country of the Cedars of God.

This is a big job, however if each one of us contribute and donate as little as \$25 Dollars **OR** as big as you wish it to be, it will be accomplished in no time!

Many of you are committed associates and friends of the Mission of Hope and Mercy and with you our work has made a big difference in the life of the people.

We Stayed on the Message: WE HAVE BECOME A TRUE VOICE OF HOPE AND MERCY, A TRUSTED MORAL AUTHORITY, AND A VALID ACT OF PEACE, LOVE AND COEXISTENCE IN A WORLD FILLED WITH HATE, SADNESS AND PERSECUTION, FOR ALL THE CHILDREN OF HUMANITY.

IT IS WHAT GOD CALLED US TO DO AND WE ARE FULFILLING OUR SPIRITUAL DESTINY, AND YOU HAVE BECOME PART OF A GREAT HEAVENLY INSPIRED MISSION FOR ALL THE EARTH TO SEE. I BLESS YOU IN THE NAME OF OUR GOD.
