

WHAT DO YOU GAIN FROM PARTICIPATING IN OUR CAMPAIGN?

When you participate in **Feed a Family – Save a Nation** you have opportunity to exercise both the spiritual and the corporal works of mercy, those of teaching the gospel and feeding the hungry. All of you individually and collectively across families, societies and congregations will provide much needed economical help, which ripples throughout the community and eventually helps rebuild the spiritual and economical infrastructure of Lebanon's spiritual community and nation.

We, altogether: human being to a human being, sisters and brothers-to-sisters and brothers, family-to-family, congregation-to-congregation, pastor-to-pastor, bishop-to-bishop will be feeding people who now have sought out our help in 8 dioceses, 3 orphanages and 1 school. Your unified charity will show the mercy of Christ to our fellow spiritual community in Lebanon and help keep their hearts burning with the flame of God's love. Your generosity will restore hope in the forgotten Christians and all the other people of good will of Lebanon.
